(4)	The unit is believed to be a signal unit of the Second Gds Kecz Army and probably came from the command next exercise	

in the Naumburg area which terminated at about 20 March 1952.

The three troop trains observed on 26 March 1952 carried components of the 9th Gds Tank Div. The second train probably came from Pasewalk.

Tom Neustrelitz and 1 troop train from Pasewalk had been unloaded at Luckenwalde on the same day.
